

NINO PAICHADZE

+995 592-18-17-07 nino.paichadze2003@gmail.com [GitHub](#) Portfolio

TECHNICAL SKILLS

Languages: C#, TypeScript, JavaScript, SQL, HTML, CSS
Frontend: React, Next.js, Tailwind CSS, React Query, Zustand
Backend: ASP.NET Core, REST APIs, JWT Authentication
Databases: PostgreSQL, Entity Framework Core, Prisma
Tools: Git, GitHub, Docker, VS Code, figma

PROJECTS

Task Manager | *ASP.NET Core, Next.js, PostgreSQL*

[GitHub](#) | [Live Demo](#)

- Built a full-stack task management application with user authentication and project-based organization.
- Developed REST API endpoints using ASP.NET Core and Entity Framework Core.
- Implemented JWT authentication and protected routes.
- Designed a responsive React frontend with state management and data fetching.

Tiny Wonders Blog | *Next.js, TypeScript, SCSS, ASP.NET Core, PostgreSQL, SignalR*

[GitHub](#) | [Live Demo](#)

- Built a full-stack blog platform with ASP.NET Core REST API and Next.js frontend, featuring JWT authentication with refresh tokens stored in HttpOnly cookies for enhanced security
- Implemented real-time comment updates using SignalR WebSockets, with role-based authorization separating Admin (article management) and User (read and comment) permissions
- Integrated Cloudinary for optimized image uploads, built an admin panel for article and category management with draft/publish workflow, and deployed on Vercel and Render with Neon PostgreSQL

Full Stack Social Platform | *Next.js, MySQL, React, TypeScript, Prisma, Docker*

[GitHub](#)

- Developed a full-stack social media platform with authentication, profiles, posts, likes, follows, and saved content.
- Built infinite scrolling feeds with TanStack Query and implemented database architecture with Prisma ORM.
- Integrated Clerk authentication, ImageKit media hosting.
- Created a responsive dark-themed interface using Tailwind CSS.

LANGUAGES

English (Fluent) | Georgian (Native) | Russian (Fluent) | Spanish (B1)

EDUCATION

Tbilisi State University

Computer Science (3 years), Electrical Engineering (1 year)

2021 – 2025
